Food contact Declaration

Next 09 Etere [N9 ET]

The above-mentioned hose (identification code N9 ET) is manufactured by Industrie Plastiche Lombarde SpA in the site of Besozzo - Italy, according to the following normative and regulations:

FDA

Code of Federal regulation FDA, CFR Title 21, part 177.2600 (e), (f).

The hose can be used for aqueous and fatty foods.

We inform you that the above-mentioned articles are manufactured with raw materials that do not contain, intentionally added, any of the plasticizers that belong to the orthophthalates group.

We want to call your attention to the fact that, according to the law, the final user is responsible to check the technological suitability of the hoses referred to the purpose for which it is assigned.

Industrie Plastiche Lombarde S.p.A.
